UNITED STATES STANDARD CERTIFICATE OF BIRTH

Why births should be registered—There is hardly a relation of life, social, legal, or economic, in which the evidence furnished by an accurate registration of births may not prove to be of the greatest value, not only to the individual but also to the public at large. It is not only an act of civilization to register birth certificates but good business, for they are frequently used in many practical ways, some of which are listed below:

(1) As evidence to prove the age and legitimacy of heirs;

(2) As proof of age to determine the validity of a contract entered into by an alleged minor;

(3) As evidence to establish age and proof of citizenship and descent in order to vote;

(4) As evidence to establish the right of admission to the professions and to many public offices;

(5) As evidence of legal age to marry;

(6) As evidence to prove the claims of widows and orphans under the widows' and orphans' pension law;

(7) As evidence to determine the liability of parents for the debts of a minor;

(8) As evidence in the administration of estates, the settlement of insurance and pensions;

(9) As evidence to prove the irresponsibility of children under legal age for crime and misdemeanor, and various other matters in the criminal code;

(10) As evidence in the enforcement of law relating to education and to child labor;

(11) As evidence to determine the relations of guardians and wards;

(12) As proof of citizenship in order to obtain a passport;

(13) As evidence in the claim for exemption from or the right to jury and military service.

Statement of occupation—Make some entry in this section for each parent. For a woman whose only occupation is that of home housework, write "housework" in answer to question 23 and "own home" in answer to question 24. For a person engaged in domestic service for wages, however, designate the occupation by the appropriate terms, as "housekeeper—private family," "cook—hotel," etc. For a person who has no occupation whatever write "none."

To be complete, an occupation return must state:

(14) and (23) The trade, profession, or particular kind of work done.
(15) and (24) The industry or business in which the work is done.
(16) and (25) The month and year the person last worked at the occupation.
(17) and (26) The number of years the person followed the occupation.

In stating the occupation, avoid the use of such indefinite terms as "employe," "worker," "operative," etc. Find out the particular kind of work done and return that, as "spinner," "weaver," etc.

In stating the industry or business, avoid the use of such general terms as "store," "factory," "mill," etc. State the particular kind of store, factory, mill, etc., as "grocery store," "soap factory," "cotton mill," etc.

Distinguish carefully the different kinds of engineers by stating the full descriptive titles, as "civil engineer," "mechanical engineer," "mining engineer," "stationary engineer," etc. Avoid the term "laborer" when a more precise statement of occupation can be secured. Do not use the word "mechanic," but give the exact occupation, as "carpenter," "painter," "machinist," etc. Distinguish carefully between "retail merchants" and "wholesale merchants." A person who sells goods should be called a "salesman" and not a "clerk."

DELAYED REGISTRATION LAW

(1937 Session Laws, Chapter 139, Section 4)

Where the birth of a child born prior to the effective date of Chapter 191, 1911 Session Laws, has not been recorded, or in case of failure to report any birth which has occurred subsequent to such date, such report may be received and filed by the local registrar for record in the Bureau of Vital Statistics for the purposes and uses prescribed in Chapter 2, Title 38, Idaho Code Annotated, when such report is accompanied by a certificate of the attending physician or midwife, or by Affidavits of the father or mother of the child, or if neither father or mother of the child is living or accessible, of the nearest of kin or guardian, or some person having direct knowledge in the premises.

WILLIAM RICHARDSON SHOUP, son of William Henry Shoup and
Jessie Richardson Shoup
was born November 6, 1906 at Salmon, Lemhi County, Idaho

The attending physician was Dr. W. C. Whitwell of Salmon, Idaho.

The above William Richardson Shoup was born on Election Day, Nov. 6, 1906, on which date Dr. W. C. Whitwell was elected state senator to represent Lemhi County at the Ninth Session of the Idaho State Legislature, 1907. This circumstance substantiates the date of the birth of William Richardson Shoup.

When application was made for a birth certificate for William Richardson Shoup, the vital records of the family, including the large family Bible, were packed away in storage. Through a confusion of dates, the incorrect year was stated in the original application for birth certificate.

The photostatic copy of the Certificate of Birth, file No. 385853, issued February 25, 1944 is herewith returned to the Vital Statistics Bureau of the Department of Public Health, State of Idaho, having been returned by William Richardson Shoup, 810 Second Avenue South, Great Falls, Montana, May 22, 1944.
